YOUTH TEAM MEMBERSHIP TERMS

- Participation on the ASCEND Youth Team requires each team member to have a current ASCEND EFT Membership.
- Youth Team Membership is billed alongside your existing EFT membership. As a membership add-on product, the Youth Team Membership fee acts and must be changed/cancelled similar to an ASCEND Membership
- ASCEND, in exchange for the Youth Team Membership fee, in good faith intends for each month of Youth Team practice to include 2 practices per week (excepting holidays), with a small ratio of Youth Team Members to coaches. Other perks of the Youth Team may be offered.
- Youth Team Membership fees are NON-REFUNDABLE.
- I agree to the posted Rules & Etiquette of ASCEND Pittsburgh, and that if my access or membership is revoked, suspended or terminated I understand that I am not entitled to a refund.
- I have been advised of the Youth Team Membership Terms, and fully understand the agreement. IN WITNESS WHEREOF this Youth Team Agreement has been executed by the parties on the date written below.
